**To Whom It May Concern:**

**It is a professional and personal privilege to provide a letter of recommendation for Hawra Al-haddad. I have known Hawra as an internship student at Maternity and Children's Hospital Dammam.**

**I have come to admire her professionalism and personal integrity. Also, her work ethic is very strong. she is well liked by her peers and she is always professional in his conduct. Hawra's technical abilities are very good. she has a good knowledge of respiratory therapy and her ability to plan care, set priorities, and carry out interventions is evident. she is very caring to patients and their families and shows a great deal of empathy and respect. I recommend Hawra without any reservation.**

**Sincerely,**

**Head of Respiratory Therapy Department - MCH**

September 28, 2021

To whom it may concern,

I am pleased to write a letter of recommendation for Hawra Alhaddad. A graduate of the respiratory care program at Imam Abdulrahman bin Faisal University.

I have known Hawra as a preceptor during her internship in King Fahd Hospital of the University from 27-Jan-2021 to 17-Jun-2021. I have had an opportunity to observe and evaluate her work, and she presented nothing other than outstanding performance. She is a hard-working, ambitious, and dedicated individual with excellent communication skills and a focus on delivering the best care and therapy for the patients.

Hawra is well equipped to grow from any challenges that she is presented with. Her respiratory knowledge, work ethic, interpersonal skills, and professionalism will prepare her for any endeavor that she might seek. I have no doubt that she will be a great asset to the facilities she will join in the future.

Sincerely,

**Mohammed A. Al-Nasseri BSc. RC**

## Recommendation letter

To Whom This May Concern,

I am proud to offer my recommendation letter for Hawra Al-Haddad a respiratory therapist at Alzahra general Hospital.

I have come to admire her knowledge and her great observations. Also, her plans of care and her management of the mechanical ventilator are excellent.

Hawra is a hardworking, dedicated, and ambitious individual who will always do her best to deliver the maximum patient care and to improve the institution where she works within.

I see Hawra as a great employee to work with you, I recommended her without any reservations.

sincerely,

Dr Adel Elshamia
